

Heat Gun
2000W

1105

- 3 gear wind speed 10-speed temperature regulating hot air gun
- Easy to carry, easy to operate in small space
- Powerful 2000 W, 3-speed heat gun with variable heat control giving maximum control in all heat gun applications
- Powerful heat gun kit for all applications, ideal for stripping paint, varnish, adhesives and a variety of other applications
- Complete kit including 5pcs accessories and kit box for all paint and varnish removal tasks

Power	2000W
Frequency	50-60Hz
Voltage	220-240V
Working current	8A
Body material	PP+GF30
Operating temperature	100° - 600°
Noise level	50 dB-60dB
Motor type	SCRUB Brushled Motor
Air Volume & Temperature	1:150L/min 100-600°C 2:300L/min 100-600°C 3:500L/min 100- 600°C
weight	0.86 Kg
Heating element type	Ceramic heating element
Supplied in	color box
Includes	1pc Protective cover against high temperature and scald, 1pc Fish tail surface nozzle, 1pc cone nozzle, 1pc Concentrator Nozzle, 1pc Glass Protection Nozzle
