

Cordless Vacuum Cleaner

75W

1203

- Armed with NI-MH battery for long life and also powerful suction in dry and wet environments
- Equipped with washable filter made of nanoparticles (Nano technology) for more efficiency and longer life
- Strong suction power for fast and efficient cleaning
- Charger base with fast charging system

Model	1203
Power	75W
Voltage	15.6V
Battery Chemistry	NI-MH
Dust Bag Capacity	0.6Liter
Battery Capacity	13 batteries (1300mA)
Working Time	Max 18minutes
Supplied in	Ronix color box
Weight	1.8Kg
Includes	Charger base, 3 Collecting nozzles
