

Industrial Blower
500W-110V

1206

- Efficient 500W motor provides a significant amount of air force for both blowing and vacuuming functions
- 2 tools in one, quickly convert to a vacuum cleaner for added versatility
- 6 different speed settings enable working with different blowing air rate in order to adapt to different kinds of applications
- Vortex design of fan blades will impressively increase air force
- Strong design suitable for applications in the workshop and on the construction site
- Light weight design enables convenient use
- Ergonomic design provide convenient handling during operation
- Heat dissipation system ensures faster cooling and longer lifetime
- Lock button for convenient continuous operation

Model	1206V
Power	500W
Voltage	110V
Frequency	50-60Hz
No load speed	0-13000RPM
Maximum Air Flow	2.3m ³ /min
Weight	1.7Kg
Supplied In	Ronix Color Box
Includes	Blow rubber tube, Dust collection bag, a Pair of carbon brushes
