

**Long Neck Die-Grinder**  
**6mm-840W**

**3303**

- Efficient high-power 840W motor ensures maximum functionality
- Long grinding spindle enables working in tight and hard to reach places
- Auxiliary Ronix-design side handle minimizes vibration and reduces fatigue during long time working
- Die-cast Aluminum alloy housing enables light weight, superior heat dissipation and enhances body strength
- Direct airflow system which cools the motor for more reliable performances
- Slim body design for ideal handling and higher working performance
- Precision collet enables the operator to do accurate applications faster and easier
- Variable 6 speed control

Model	3303
Power	840W
Voltage	220-240V
Frequency	50-60Hz
No-load RPM	7000-28000RPM
Collet Size	6mm
Weight	2.13kg
Supplied in	Ronix color box
Includes	2 spanners, Auxiliary Ronix-design side handle, Pair of carbon brushes
