

Gasoline Chainsaw
1400W

4635

- 38.2cc, 2cycles high power 1400kw engine with outstanding performance
- Automatic lubricating system reduces the friction between the bar and chains and makes cutting smoother and easier
- Anti vibration system makes the operation more comfortable and reduces fatigue during long hours of working
- Specific safety break reduces the risk during cutting operations
- New smart start system makes the machine start easier with less effort
- Excellent new ignition system results in powerful smooth running
- Special exhaust system design reduces fuel consumption and minimizes the gasoline emissions
- New design clutch system results in better performance and higher efficiency
