

Gasoline Chain Saw Pro series

1800W

4645PRO

- 45cc, 2cycles high power 1800W engine with outstanding performance
- Automatic lubricating system reduces the friction between the bar and chains and makes cutting smoother and easier
- Anti vibration system makes the operation more comfortable and reduces fatigue during long hours of working
- Specific safety break reduces the risk during cutting operations
- New smart start system makes the machine start easier with less effort
- Excellent new ignition system results in powerful smooth running
- Special exhaust system design reduces fuel consumption and minimizes the gasoline emissions
- New design clutch system results in better performance and higher efficiency
- Includes USA top brand, Oregon chain and guide bar for better cutting performance
- Equipped with Japanese top brand, Walbro high quality carburetor for longer lifetime and more effective function
