

Sliding Miter Saw
1450W, 210mm

- Powerful 1450W motor delivers 5000 RPM for maximum productivity and top performances in different functions
- Made from high quality material which secures precise cutting in different angles and applications
- Adjustable and expandable base extensions for additional work-piece support
- Compact design and lightweight for job site portability
- Horizontal D-handle design for better fit and easy and comfortable operation
- Advanced table locking system for fast and precise setting in common angles by using 9 stop points
- Efficient dust collection system enables cleaner operations
- Material clamp for secure fixing of the work piece from the top
- Spindle lock system for easy and fast wheel changing and safety mechanism
- Anti-dust switch for reducing dust penetration and longer life
Ability to perform angular cutting in both bevel and table position
- Armed with scaled fence and movable fence
- Include with TCG blade
- Equipped with protection guard for user safety
- Armed with sliding rails perk for increase cutting capacity
