

Tile Saw
200mm

5620

- The stone cutting saw has a strong 800W electric motor
- With the 800W Eberth stone cutting machine, you can easily cut precise corner stones.
- The water tray can be easily cleaned by removing the rubber stopper
- The robust base of the stone cutting saw can be folded without the help of tools. The folded stone saw can be easily moved thanks to the transport wheels. So you can store the device to save space
- The tile cutter is not only easy to use with it, straight, mitre and plunge cuts are no problem.

Model	5620
Voltage	230V
Frequency	50Hz
Product Dimension	Length1230mm xWidth690mm xHeight:820mm
Table size	890x394mm
Disk Diameter	Φ200×Φ25.4×2,4mm
Table material	Aluminum profile
Disk material	65Mn, corundum, Metal powder
No load Power	800W
Rotation angle	0-45° /0°:28mm /45°: 32mm
Cutting Length	6290mm
Weight	23,45kgs (with box and Accessories)
Supplied In	Color box
Includes	Rubber feet 4pcs, support legs 4pcs, legs locking knob 4pcs, angle ruler 1set, wrench 2pcs, water plug 1pc
