

CORDLESS TOOLS

Brushless Circular Saw 20V-125mm

8650

- Powerful, high performance brushless motor delivers 6000RPM for greater speed and faster cuts.
- Ergonomic light weight design improves working efficiency and reduces user fatigue.
- Steel base plate allows precise bevel cuts at the most common angles 0°-45°.
- Equipped with safety key to increase application safety.
- Spindle lock system for easy and fast blade changing.
- Ergonomic soft grip for more convenient use.
- Electric brake for safety operation.
- Adjustable cutting depth enables different working applications.
- Well balanced design for superior handling and performance.
