

Cordless Brushless Chain saw

20v

8651

- Professional cordless chainsaw enhanced cutting performance with powerful Brushless motor and a chain speed of 7 meter per second
- Automatic lubricating system reduces the friction between the bar and chains and makes cutting smoother and easier
- New tool-less adjustment system for easier saw chain tension adjustment
- Equipped with power switch to protect against accidental start
- Low noise level and zero emissions for operator comfort
- Armed with Safety brake handle to protect users
- Rubberized soft grip top handle is engineered for the user to more easily apply even cutting pressure
- Equipped with over current protection
- suitable for wood cutting, gardening pruning, small branch pruning, bush pruning, widely used in gardens, farms, parks, forest, pastures, orchards, greenhouses

Model	8651
Battery Type	Lithium-ion
Voltage	20V
Battery Capacity	4.0Ah
Maximum cutting diameter	170mm
chain size	10"
chain bar length	254mm
No-Load Speed	3850RPM
Max Chain Speed	7m/s
Oil Tank Capacity	110ml
Runtime	Full-load : 20 min
Cuts per battery charge (Cutting diameter 110mm)	71pcs
Battery Charging Time	60min
Weight	2.3kgs without guide bar and chain, empty tanks
Supplied In	color box
Includes	1pcs Battery 4 AH 1 pc charger 4A 1pc 10" guide bar 1pc 10" saw chain 1pc chain cover

20V 4Ah 1BATTERY
