

Compressor silent
2600W

RC-5013

- 50 liter tank combined with a 2600W motor provides plenty of power to cover a wide variety of applications
- 8 bar maximum pressure stores sufficient air in the tank for continuous tool operation
- The light weight and compact design plus Handle make it highly portable and remarkably easy to use
- 2 Induction motor for continuous application
- FBANG switch for more efficiency and long life
- Able to fill the air tank with 4 cylinders at the minimum
- Equipped with a safety valve
- Oil free pump mechanism for more efficiency
- Hyper silent motor and new pump design
- Drain valve under the tank
- Solenoid valve for greater performance
- Less vibration during worktime
- Equipped with metal gauge
- Thermal protector system controls the temperature of the motor during longtime working
- Soft rubber base to be applicable in rough and inclined surface
- Regulator with Filter (Oil & Water) for dry air output
- Equipped with 1 flow regulator and 1 quick couplers to maximize air tool performance

Model	RC-5013
Power	2600W
Voltage	220-240V
Frequency	50-60Hz
Tank Capacity	50L
Air Delivery	200L/min
Speed	2800 RPM
Safety Valve Opening	0.88MPa
restart pressure	0.5MPa
use pressure range	0-0.8MPa
Max Pressure	0.8MPa
Weight	37kg
Supplied In	Ronix Color box
Includes	4 Air Filter, Two Wheels, 2 Rubber base
