

Drill Bit Set

RH-5581

- High-quality raw material, strong high-speed steel twist drill bit with titanium coating which ensures the blades' sharpness longevity and enables precise starting of the drill
- The chamfered edges eject hot chips quickly and disperse heat effectively which results in drill bits' durability
- Hardened process, provides ultimate combination of strength, heat & wear resistance
- Great performance with sharpened cutting edges
- General purpose drilling with 19 pieces of HSS-Twist drill bit designed for machine and hand-held drilling in a wide range application
- Bright finish for general purpose applications including aluminum & metals
- Quick change round straight shank fits in all power tools easily and the extensive size range makes it the go-to set for working on various projects
- Portable plastic case provides excellent protection and allows easy transport
