

## Jigsaw Blade

# RH-5603

- Engineered, professional grade German blades
- Fully hardened chrome vanadium precision teeth that stay sharp longer than the other blades in its class
- T-shank design allows easy blade mount & remove, maximal grip and ongoing stability
- 12 TPI progressive tooth design secures high endurance, high-speed cuts and longer life in varied thicknesses of different materials
- Ideal for accurate, fast, straight & rough cuts used by professional carpenters, DIYers, home improvers, electricians, general contractors, roofers, plumbers, frame, drywall & maintenance workers, and general industrial woodworkers on engineered wood like plywood, laminate, glulam, particle board, fiberboard and oriented strand board
- 5 blades in blister card package
