

Measuring Tape

10m

RH-9017

- Features an impact-resistant, Soft-Finish coated ABS housing to have a more durable and easy-to-use measurement tape.
- Includes a strong metal belt clip that holds tight and is easy to use on uniforms.
- The extra-large magnetic hook grabs material from both sides and holds the metal tight while taking measurements.
- Different lengths of reach to increase versatility.
- Durable nylon blade coating withstands different jobsite conditions.
- 2-sided large, easy-to-read font on the 1.1mm thick blade.
