

### 3 Magnetic Welding Holder

3 Inch

# RH-9085

- Constructed of high quality A3 steel with a powerful magnet, these welders magnets are durable, long lasting, and resistant to rust and corrosion
- Designed for holding workpieces when soldering or welding
- 3 Inch Holding angles: 45°, 90°, 135°, 180°

Model	RH-9085
Magnet Quantity	1PCS
Magnet thickness	15mm
Magnet dimension	A:75 mm B:75mm C:120mm
Material	A3 steel, Y30-BH ferrite magnet
Magnet Angles	45°, 90°, 135°, 180°
Magnet Pull Force	12Kg
Magnet weight	0.34Kg
Total weight	0.35Kg
Supplied in	Blister card
