

**Rotary Hammer Drill**  
**28mm-1200W**

**2729**

- High performance 1200W rotary hammer drill with 4 functions: drilling, hammer drilling, chiseling, and releasing
- Die-cast magnesium housing enables light weight, superior heat dissipation and enhances body strength
- New heat dissipation system guarantees reasonability of air path and largely improves heat dissipation effect
- Large capacity cylinder for stronger 4.2J impact energy and more efficiency
- Unique chisel rotation system for adjusting hammering positions
- 360° anti-shock auxiliary Ronix-design handle provides a wide range of movement along with operator's comfort-SDS Plus tool-free bit system with automatic bit locking mechanism
- Double anti-vibration system obviously reduce the damping on the handle so as to protect operator's wrist
- Lock button switch for comfortable working in continuous operations
- Ergonomic handle design with huge area of soft grip and 2-finger switch which improves comfortability and handling
- New anti sand&stone bottom cover guarantees extremely long lifetime of motor
- High-torque safety clutch system can protect armature and ensures safety

|--------------------------|----------|
| Model                    | 2729     |
| Chuck Type               | SDS Plus |
| Chuck Size               | 28mm     |
| Power                    | 1200W    |
| Impact Energy            | 4.2J     |
| Frequency                | 50Hz     |
| Max Capacity in Wood     | 40mm     |
| Max Capacity in Steel    | 13mm     |
| Max Capacity in Concrete | 28mm     |
| No-load RPM              | 1000 RPM |
| Max Impact Rate          | 4300 BPM |

|             |   |
|-------------|---|
| Voltage     | 220V  |
| Weight      | 4.3kg   |
| Supplied in | BMC   |
| Includes    | Grease tube, Rubber protect cap, Spanner, Bits bag includes (1)SDS plus drill bit 8*150,(1)SDS plus drill bit 10*150 ,(1)SDS plus drill bit 12*150, (1)SDS plus point chisel bit 250, (1)SDS plus flat chisel bit 14*250, Depth stop, Auxiliary Ronix-design handle |
