

Mini Angle Grinder

1200W-115mm

3161

- High power heavy duty 1200W motor that enables top performances in different functions
- positions k ergonomic side handle which promoting easy work and perfect machine control in different range of operator movements
- Direct motor cooling system which allows higher industrial operation capabilities and protecting armature
- Variable speed setting regulates the speed to adapt to the operator's needs
- Quick change of disc guard that allows the user to position the guard in many different working angles
- Easy and fast carbon brush changing mechanism
- New locking pin system for easy and fast disc changing and safety mechanism
- Anti-dust switch which reduces dust penetration, especially in construction usages

Model	3161
Power	1200W
No-Load Speed	3000-11000 RPM
Voltage	220V
Frequency	50/60HZ
Wheel Diameter	115mm
Spindle Size	M14
Weight	2.05kg
Supplied In	Ronix Color Box
Includes	Ronix-design side handle, protection guard, spanner
