

Angle Grinder

2400w-230mm

3241V

- Professional Heavy-duty 2400W powerful motor enables high performance
- 3 positions anti-shock ergonomic side handle that minimizes vibration and reduces fatigue during long time working
- Rotary main handle which accelerates working in different angles and improves user comfort and control
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Anti-dust ball bearings which ensure long lifetime of the motor and make it work more smoothly
- Quick change of disc guard that allows the user to place the guard in different working positions
- Easy and fast carbon brush changing mechanism
- New locking pin system for easy and fast disc changing and safety mechanism
- Anti-dust switch which reduces dust penetration, especially in masonry working conditions
- Equipped with 4-meter cable for more convenient usage

Model	3241V
Power	2400W
Voltage	110V
Frequency	50-60Hz
No-load RPM	6000 RPM
Weight	5.3kg
Wheel Diameter	230mm
Spindle Size	M14
Supplied in	Ronix color box
Includes	Auxiliary Ronix-design handle, Ronix wheel guard, Spanner, Hex Key, 1pair of carbon brush
