

Wall Chaser
2000W

3412

- Professional Heavy-duty 2000W powerful motor enables high performance
- D-shape ergonomic handle for maximum control during heavy-duty operations
- Special design Aluminum guard for more safe and clean operation
- Channel width and cutting depth adjustment for performing different kinds of operations
- NSK Anti-dust switch which reduces dust penetration
- Maximum work progress by means of constant speed under load
- Optimal dust extraction system which can be used in all kinds of dust collection mechanisms
- Ergonomic light-design for minimizing operator's fatigue during long hours of working
- Efficient machine for precise, high-quality cuts
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Anti-dust ball bearings which ensure long lifetime of the motor and make it work more smoothly
- Soft start switch system that ensures the safety of operation
- New locking pin system for easy and fast disc changing and safety mechanism

Model	3412
Weight	5.5kg
Includes	2 Cutting discs, Spanner, Wrench, Hex, Pair of carbon brushes, 2PCS adjustable blade rings
Voltage	220-240V
Frequency	50-60Hz
Supplied In	BMC
No-Load Speed	14000 RPM
Max. Cutting Capacity	34mm
Blade Diameter	115mm
Power	1500 W
