

Electric Jigsaw
650W

4120

- High-power robust 650W motor enables cutting up to 60mm depth in wood
- 6-position speed wheel control from 0 to 3100 RPM regulates the speed to adapt to the operator's needs for optimal cutting performance on different materials
- 4-position orbital action improves cutting control and cutting speed
- Lever action mechanism for easy and fast bevel cutting adjustment
- Dust blower system removes the dust from cutting line and gives better visibility and more comfort during work
- Aluminum gearbox provides superior durability on a professional site
- Tilting aluminum die-cast base plate allows precise bevel cuts at the most common angles 0°, 15°, 30°, and 45°
- Ergonomic top handle promotes easy work and perfect machine control
- Lock-on button let prolonged use with maximum control

Model	4120
Power	650W
Voltage	220-240V
Frequency	50-60Hz
Jig Saw Blade Type	T-shank
Orbital Action	4Position
Bevel Cutting Capacity	0-45Degree
Max Capacity In Wood	60mm
Max Capacity In Metal	10mm
No-Load Speed	0-3100RPM
Weight	2.75kg
Includes	2 Jig saw blades, 2 Hex keys
