

## Gasoline Chainsaw 2700W- 50cm

**4651**

- 58cc, 2-cycle high-power 2700W engine delivers exceptional cutting performance.
- High-performance ignition ensures smooth engine operation and reliable power delivery.
- Built-in automatic lubrication system reduces friction for smoother and easier cutting.
- Anti-vibration system ensures more comfortable handling and reduces fatigue during extended use.
- Integrated safety brake minimizes risk during cutting for enhanced operator protection.
- Smart start system enables faster, easier startup with less pull effort.
- Efficient exhaust design lowers fuel consumption and reduces gasoline emissions.
- New clutch system enhances power transfer for improved cutting performance and efficiency.

Model	4651
