

Dual Electric Polisher
1200W

6122

- High efficiency robust 1200W motor secures maximum productivity and top performances in different functions
- Uses a circular motion combined with a orbital motion to create dual action in order to achieve the best quality in polishing and waxing
- Variable speed setting from 1600 to 4500 RPM in 6 speed steps
- no-load of speed enables working at customized speeds in order to adapt to various materials and applications
- Perfect for finishing, compounding, waxing, polishing, shining and deoxidizing
- Anti-dust ball bearings which ensure the durability of the motor and make it work more smoothly and more efficiently
- Ergonomic auxiliary handle reduces operational fatigue and promotes perfect machine control
- A high-quality wool polish pad suitable for different kinds of applications
- Superior rubber cable for more durability and higher efficiency

Model	6122
Wheel Diameter	150mm
Power	1200W
No load speed	1600-4500RPM
Weight	2.85Kg
Includes	wrench, 1 handle, 1 Wool Polishing Pad, Pair of carbon brushes
Voltage	220-240V
Frequency	50-60Hz
Supplied In	Ronix Color Box
