**Ronix**
Premium Quality

Cordless Polisher
12V, 2Ah

8304

- Powerful motor which can provide maximum productivity and top performances in different functions
- Variable speed setting from 0-2800RPM / 0-8300RPM no-load of speed enables working at customized speeds in order to adapt to various materials and applications
- Perfect for finishing, compounding, waxing, polishing, shining and deoxidizing
- Over-charging protection / Over-discharging protection / Over load protection / Short circuit protection / Over-temperature protection
- Equipped with Battery capacity indicator
- Equipped with soft grip handle to reduce user fatigue

Model	8304
Battery Chemistry	Lithium-Ion
Battery Voltage	12V
Spindle thread size	M8
