

Cordless Multi Function Sander
20V-12000 RPM

8624C

- High efficiency and powerful motor
- Easily sand entire table and wall or ceiling in less time
- Variable speed adjustment operates from 6000 to 12000 RPM
- Easy changing sandpaper
- Automatic dust removal system
- Includes 3pcs 80# grit Φ 125mm/ 187x90mm/ 140x140x80mm sanding papers
- Soft start-ups for increase gear long life
- Overload sensor is designed to alert when excessive load is applied and protect from damage due to overheat

Model	8624c
Motor type	Brushed
Dimension	250x90x160mm
Battery type	Lithium
Max speed	12000 Rpm
Voltage	20v
Battery capacity	2.0 Ah
Min speed	6000 Rpm
Vibration level	4.170 M/s ²
No-load orbites	6000-12000 Opm
Orbital diameter	125 Mm
Pad dimensions	187x90 mm
Includes	3pc sanding papers 1pc dust bag
Runtime	20-25 Min
Body material	Pa6+gf30
Net weight	1.3kg
Supplied in	Color box
Total weight	1.8 Kg
Charging time	1 h
