

## Cordless Drill Driver 12V

**8812**

- High-performance motor enables perfect functionality in drilling and screwing
- Light-weight, ergonomic small body design for maximum efficiency and convenient use
- 30Nm maximum torque delivers great power and outstanding performance
- Metal gear box enables heavy-duty application and longer life-time
- High performance, long life and fast charging 1.5Ah, 12V Lithium battery
- 2-sleeve 10mm high-quality chuck ensures high durability
- 2 speed functions competent for both high-speed and high-power applications
- 18+1 clutch settings enable efficient and accurate screwing and drilling for reduce fastener damage
- Equipped with LED light which illuminates the dark zone and brings optimal brightness in the work area
- Battery charging indicator lets you know the battery level fast and easy
- Fast charging system in charger provides optimum performances in tight working situations
- Metal belt hook for ease of use

Model	8812
Max Torque	30NM
Battery Voltage	12V
Battery Chemistry	Lithium
Max Capacity In Wood	30mm
Weight	1.2kg
Includes	Two 1.5Ah/12 V Batteries, 1 Fast charger
