

Brushless Mini Angle Grinder Kit

40v-125mm

8901-40V

- High performance brushless motor delivers up to 8500 no-load of speed in RPM
- Light-weight, ergonomic mini angle grinder suitable for precise applications
- Soft start switch system that ensures the safety of operation
- Anti-restart function prevents accidental start-up
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Special slim body design for ideal handling and higher working performance
- Electronic current limiter for overload protection
- 3 Positions anti-shock ergonomic side handle which promoting easy work and perfect machine control in different range of operator movements

SERIES

BRUSHLESS
MOTOR

Model	8901-40V
Battery Voltage	40V
Battery Chemistry	Lithium-ion
No-load Speed	3000-8500RPM
Speed Adjustment	6 Settings
Bore Diameter	22.23mm
Wheel Diameter	125mm
Body Material	Nylon(PA6-GF30)
Spindle Size	M14
Weight	2.56Kg(with 1pc battery)
Supplied in	BMC
Include	2pcs battery packs 1pc charger 1pc wrench 1pc handle
