

Brushless Cordless Circular Saw
20V-165mm

8902

- Powerful, high performance brushless motor delivers 5000 RPM for greater speed and faster cuts
- Ergonomic light weight design improves working efficiency and reduces user fatigue
- Soft start switch system that ensures the safety of operation
- Spindle lock system for easy and fast blade changing and safety mechanism
- Adjustable cutting depth enables different working applications
- Electronic current limiter for overload protection
- Equipped with LED light which illuminates the dark zone and brings optimal brightness in the work area
- Well balanced design for superior handling and performance
- Steel base plate is completely effective for the highest cutting precision
- Ergonomic soft grip for more convenient use
