

## Brushless Cordless Chainsaw kit

40V-30cm

**8923-40V**

- Professional cordless chainsaw enhanced cutting performance with powerful Brushless motor and a chain speed of 8 meter per second
- Automatic lubricating system reduces the friction between the bar and chains and makes cutting smoother and easier
- New tool-less adjustment system for easier saw chain tension adjustment
- Equipped with power switch to protect against accidental start
- Low noise level and zero emissions for operator comfort
- Armed with Safety brake handle to protect users
- Rubberized soft grip top handle is engineered for the user to more easily apply even cutting pressure
- Equipped with over current protection
- suitable for wood cutting, gardening pruning, small branch pruning, bush pruning, widely used in gardens, farms, parks, forest, pastures, orchards, greenhouses
- Quick stop chain brake for Preventing accidental cutting
- push button start, no gas or fumes, no carburetor, no spark plug, and no starter rope
- battery level indicators, and oil-tank markings, let you know when you'll need to recharge or refill the oil

Model	8923-40V
Battery Type	Lithium-ion
Battery Voltage	40V
Battery Capacity	2000mAh
Maximum Cutting Diameter	265mm
Chain Size	12"
Chain bar Length	300mm
Max. Cutting Capacity (round workpiece)	265mm
Max. Cutting Capacity (rectangular workpiece)	235X235 mm

No-load Speed	6200RPM
Chain Speed	8m/s
Oil Tank Capacity	70ml
Runtime	1 hour
Cuts per Battery Charge	0.05%
Charging Time	1 hour
Noise Level	95dB
Weight	2.88Kg(with 1pc battery)
Packaging	Color Box
Accessories	2pcs battery packs 1pc charger 1pc 12" chain 1pc guide bar 1pc bar cover
