

## 40V Fast Charger 4A

# 8993-40V

- Lightweight and compact, making it easy to carry and handle during use
- Includes safeguards against overcharge, and short circuits for maximum safety

|                                      |           |
|--------------------------------------|-----------|
| Model                                | 8993-40V  |
| Input voltage                        | 220-240V~ |
| Input Frequency                      | 50/60Hz   |
| Output Voltage                       | 40V       |
| Output current                       | 4.5A      |
| Charging time (40V 2Ah battery pack) | 60Min     |
| Charging time (40V 4Ah battery pack) | 120Min    |
| operating temperature range          | 0-50°C    |
| Plug Length                          | 1.8m      |
| Weight                               | 0.56Kg    |
| packaging                            | Color Box |
| Protection Features                  | Yes       |
