RH-2020

- Small set contains all of the smaller, common, popular sizes of 1.5, 2.0, 2.5, 3.0, 4,5, 6.0 & 8.0mm
- 8-piece folding hex key set for quickly tightening or loosening fasteners
- This set of popular sizes is held together in one convenient handle and can fold out to a right angle for maximum leverage or out straight for a screwdriver style
- Made of heat-treated Chrome-Vanadium steel for rugged strength and more durability
- Hardened ends for extra high torque during operations
- High-quality fold-up handle firmly holds each key so you always have the size you need at-hand
- Ergonomic ABS plastic shell that is stronger than steel and ensures comfort, slip resistance, and safety
- Hex ends are square-cut for a secure full-depth fit and maximum contact with the hex socket to prevent slippage and stripping of the socket
- High quality, professional tools ideal for different kinds of applications
