

Folding Torx Key Set

RH-2041

- Small hex set contains all of the smaller, common, popular sizes of 1.5, 2, 2.5, 3, 4, 5, 6 and 8mm
- 8-piece folding hex key set for quick tightening or loosening fasteners
- This set of popular sizes is held together in one convenient handle and can fold out to the right angle for maximum leverage or out straight for a screwdriver style
- Lightweight aluminum body and heat-treated chrome vanadium steel construction for the best strength and durability
- Anti-rust chrome satin coated
- Hardened ends for extra-high torque during operation
- High-quality fold-up handle firmly holds each key so you always have the size you need at-hand
- Keys are conveniently fold for compact and easy storage
- Hex ends are square-cut for a secure full-depth fit and maximum contact with the hex socket to prevent slippage and stripping of the socket
- High-quality, professional tool ideal for different kinds of applications
