

Compact oil free compressor
10L-750W

RC-0614

- 10L liter tank combined with a 750W motor provides plenty of power to cover a wide variety of applications
- 9 bar maximum pressure stores sufficient air in the tank for continuous tool operation
- The light weight and compact design plus Handle make it highly portable and remarkably easy to use
- Induction motor for continuous application
- LEFFO switch for more efficiency and long life
- Able to fill the air tank with cylinders at the minimum time
- Equipped with a safety valve
- Oil free pump mechanism for more efficiency
- Hyper silent motor and new pump design
- Drain valve under the tank
- Solenoid valve for greater performance
- Less vibration during worktime
- Equipped with metal guage
- Thermal protector system controls the temperature of the motor during longtime working
- Soft rubber base to be applicable in rough and inclined surface

Model	RC-0614
Tank capacity	10L
Absorbed power	750W
Voltage	230V
Frequency	50Hz
Speed	1400RPM
Air displacement	128L/Min
Max pressure	0.9Mpa
Safety valve opening	1.0MPa
Restart pressure	0.7MPa
Use pressure range	0.7-0.9MPa
Weight	18.4Kg
Supplied in	Color carton
