

Compact Oil Free Compressor
25L, 1500W

RC-0615

- 25 liter tank combined with a 1500W motor provides plenty of power to cover a wide variety of applications
- 10bar maximum pressure stores sufficient air in the tank for continuous tool operation
- The light weight and compact design plus Handle make it highly portable and remarkably easy to use
- Induction motor for continuous application
- Condor MDR1 switch for more efficiency and long life
- Able to fill the air tank with 2 cylinders at the minimum time
- Equipped with a safety valve
- Oil free pump mechanism for more efficiency
- Hyper silent motor and new pump design
- Drain valve under the tank
- Solenoid valve for greater performance
- Less vibration during worktime
- Equipped with metal guage
- Thermal protector system controls the temperature of the motor during longtime working
- Soft rubber base to be applicable in rough and inclined surface
- Equipped with 2 flow regulator and 2 quick couplers to maximize air tool performance
- Equipped with two durable wheel

Model	RC-0615
Tank capacity	25L
Absorbed power	1500W
Voltage	230V
Frequency	50Hz
Speed	1400RPM
Air displacement	240L/min
Max pressure	1.0MPa
Safety valve opening	1.05MPa
Restart pressure	0.8MPa
Use pressure range	0.8-1.0MPa
Weight	44.5kg
Supplied in	Color carton
