

Folding Torx Key

8 Pcs

RH-2021

- Small torx set contains all of the smaller, common, popular sizes of T9 , T10 , T15 , T20 , T25 , T27 , T30 , T40
- 8-piece folding torx key set for quickly tightening or loosening fasteners
- This set of popular sizes is held together in one convenient handle and can fold out to a right angle for maximum leverage or out straight for a screwdriver style
- Made of heat-treated chrome-vanadium steel for rugged strength and more durability
- Drilled tips allow use on tamper resistant security screws
- Hardened ends for extra-high torque during operations
- High-quality fold-up handle firmly holds each key so you always have the size you need at-hand
- Ergonomic ABS plastic shell that is stronger than steel and ensures comfort, slip resistance and safety
- Hex ends are square-cut for a secure full-depth fit and maximum contact with the hex socket to prevent slippage and stripping of the socket
- Useful tool which can be used for a wide variety of applications like opening mobile phone, PDA housings, PSP, MP3 player, etc
