

Extension Bar

RH-2601

- Designed with superior Cr-V materials for increased torque and unique hardness
- High-strength chrome vanadium steel extensions provide high torque for greater turning power
- 3-layer chrome coating for anti-corrosion protection and more durability
- Includes various extensions for increased accessibility and maximum performance
- 1/2" drive for use with heavy-duty impact wrenches and sockets
- Extensions remain locked onto the drive until disengaged with an easy-to-reach, quick-release button
- Precisely machined to ensure accurate sizing
- Made in Taiwan

Model	RH-2601
Drive	1.2inch
Size	12.5cm
Material	Chrome vanadium
