

Bolt Cutter
42"

RH-3306

- Hardened jaws made of CR-MO guarantee a consistently clean cut
- The two-lever mechanism allows you a high-power transmission with low manual force - gentle and powerful at the same time
- Ideal for cutting heavy materials such as bolts, nails, padlocks and chains up to 14MM in diameter
- Bolt cutter consists of a blade with a hardness of 58-62 HRC, which allows for easy cutting
- The handle is ergonomically shaped and has a non-slip coating for comfortable and easy handling
