

**Abrasive Cloth P150**

**15cm×50m**

**RH-3788**

- Emery cloth is great for Stripping paint to metal, Deburring, Rust removal and deburr metal surfaces
- Emery abrasive holds up to hard metal surfaces
- Cloth backing helps to reduce the possibility of small fragments being left on the prepared surface
- Entire cloth is resin cured for added durability and resistance to heat
- Suitable for hand or machine sanding
