- Impact resistant, waterproof, and never sink. Made from tough, impact resistant ABS and polystyrene to protect the system from drops and bumps while in use
- Have a hanger and a strap

Model	RH-4233
Included in	50CM Type-C USB cable/a hanger and a strap/a red filter
Body Material	ABS+rubber painting
Brightness	500lm
Weight	0.351kg
Power Source	5W
Battery Capacity	2200mAh
Light source type	XPG
Dimensions(Diameter/total length)	160mm
Supplide in	color box
Lighting Mode	100% -50% -SOS-off
Light Path Distance	180M
Type of Battery	Li-battery 18650 3.7V 2200mAh
Water Resistance Level	IP67
lifespan	100000Hours
