

Power bank emergency torch
DC 5V1A

RH-4270

- Multipurpose tool with 3 different functions: spotlight, camping light and power bank
- Equipped with a dimmer to adjust the brightness of white light
- Body made of ABS and Polycarbonate to create the highest resistance against possible shocks and light weight
- Water Resistant
- Equipped with Lithium-ion battery with high performance and long life
- Equipped with SMD technology for maximum brightness and longer life
- USB port
- Equipped With current protection to protect the battery
- Ideal tool for use in open spaces, mountain climbing , etc

Model	RH-4270
LED Power	MAX 3W
Input	DC 5V 1A
Output	DC 5V 1A
Brightness	MAX 280 LM
Size	65x65x231mm
Weight	341gr
Battery Type	Li-ion 2x18650(3600mAh)
Color Temperature	6000-7500k
Application	Indoor / Outdoor
Using environment temperature	0°C-40°C -10°C - 50°C
Storage environment	-10°C - 50°C
Charging time	6-7h
