

High Pressure Air Grease Injector

12Lit

RH-4307

- The Ronix pneumatic grease Pump is a powerful lubricating gun for the lubrication of machines, systems and components.
- High pressure rubber hose (4m)
- Adjustable pressure levels 0-1MPA
- High pump pressure with 6-8Bar
- 12 litre high capacity
- Compression ratio 50:1

Model	RH-4307
Total height	805mm
Stand dimension	330×220mm
Body diameter	220mm
Capacity	12Lit
Max pressure	400Bar/ 5700PSI
Working pressure	6-8Bar/ 87-116PSI
Pressure gauge graduation unit	0-1MPA/ 0-150PSI
High pressure rubber hose length	4m
Body Material	Steel
Weight	11.25kg/ 9.25kg
Supplied in	Color box
Included	1pc HYQ-200 with Plain Type Nozzle, 1pc air hose: 400×6×16mm high pressure rubber hose, 1pc 30cm gun hose, 1pc pointed type nozzle, 1set repair kit
