

High Pressure Air Grease Injector

45Lit

RH-4309

- The Ronix pneumatic grease Pump is a powerful lubricating gun for the lubrication of machines, systems and components.
- High pressure rubber hose (4m)
- Adjustable pressure levels 0-1Mpa
- High pump pressure with 6-8Bar
- 45 litre high capacity
- Compression ratio 50:1

Model	RH-4309
Total height	830mm
Stand Dimension	430x355mm
Body diameter	355mm
Capacity	45Lit
max pressure	400Bar/ 5700Psi
Working pressure	6-8Bar/ 87-116Psi
pressure gauge graduation unit	0-1Mpa/ 0-150Psi
high pressure rubber hose length	4m
Body Material	Steel
Weight	16.5kg/ 14.5kg
Supplied in	Color box
Included	1pc HYQ-200 with Plain Type Nozzle, 1pc Air Hose: 400x6x16mm high pressure rubber hose, 1pc 30cm gun hose, 1pc pointed type nozzle, 4pcs wheels, 1set repair kit
