

**Gas Blow Torch**  
**19mm**

**RH-4570**

- With safety lock prevents accidental ignition. The ergonomic design provides comfort to your hand and keep away from the flame; made of ABS and zinc alloy material makes it more durable and sturdy. A broad base helps to prevent it from falling over
- You can easily refill the culinary torch with Butane cartridge complying with EN417. (Butane Gas Isn't Included). This butane torch is small and lightweight, easy to hold
- Simple trigger-style ignition allows for using at any angle even upside down with effortless one hand operation, adjustable temperature regulator for complete control of flame and allows flame temperature to reach up to 1300° C/2372°F Press the button to light fire, turn the flame adjustor to the left make the flame bigger, then it will keep firing while maintaining a safe and clean kitchen
- Wind proof, moisture proof and water resistant, better than electric welding
- Fully automatic electronic ignition, safe and easy
- Ergonomic design for comfortable holding in the hand

Model	RH-4570
Dimensions	17x7x5cm
Material	ABS,ZINC ALLOY,CUPRUM
Weight	0.137Kg
Igniting method	Automatic piezoelectricity ignite
Calibre of spout	0.26mm
Type of gas	Butane gas
Supplide in	Blister card
Max Flame Temperature	1300°C
Appliance category	Direct pressure-butane
