

Jack Stand

3Ton

RH-4941

- Ratchet type axle stand with cast iron support and steel plate base
- Angled teeth in post to prevent accidental release of load
- Four-leg base provides more stability
- Ability to endure 3Ton weight in maximum
- Height adjustment mechanism allows smooth upward movement while release handle locks and mobility pin
- Ideal for auto, truck service, farm and shop use
- Large saddle surface provides better contact with the load
