

Pallet Truck

2Ton

RH-4979

- Manoeuvrable and stable hand pallet truck for transporting goods with up to 2000kg
- Thanks to the low tare weight (54 kg), the pallet truck is easy to handle
- The lever on the tiller allows the moved goods to be lowered steplessly to the desired position
- Top quality hydraulic pump with a slow lowering hand control valve
- 3-position control lever provides fingertip control of all hydraulic system functions, with the handle in any position
- Neutral position frees handle of hydraulic functions
- The ideal size for euro pallets
