

**SDS Max 2-Cutter Hammer Drill Bit  
18\*540 -German**

**RH-59176**

- Fast duo cutter with an SDS-max shank for non-reinforced concrete, brick, and stone applications.
- Fast dual cutter for all concrete and stone applications.
- Fast removal of drill dust and low vibration are additional benefits of this drill bit.

Model	RH-59176
Shank Type	SDS-max
Cutting Edge Type	2-Cutter
Total Length	540mm
Working Length	400mm
Diameter	18mm
Coating / Surface Treatment	Shotpeened
Hardness	>48HRC
Material	Steel
Tip Material	Tungsten Carbide
Application	Construction
Weight	68,07gr
Supplied In	Clip
