

Touch-up Spray Gun

RH-6405

- High-performance HVLP air sprayer with 0.5mm nozzle size and 125 ml capacity cup
- Easy and simple-to-use gravity feed spray gun which lets fluid flow downward using less air
- The stainless steel needles and precision air caps are ideal for a fully automated and consistent spray pattern for a smooth professional finish
- Built-in 3 control knobs: Fluid control regulates the amount of paint sprayed, Pattern control adjusts the fan pattern size, and air adjustment valve provides versatility to adjust air flow
- Precise, high-quality brass cap and stainless spray nozzle are anti-rust and ensure more durability and more pressure
- 125 ml gravity feed design helps with easy clean up and minimizes the waste of material left in the canister
- Includes handle tooth brush, 1/4 NPT female plug and filter, make your spraying work very comfortable and achieve perfect results
- Ideal for small repair work, detailing and hobbyists
