

Magnetic Welding Holder

5 Inch

RH-9087

- Constructed of high quality A3 steel with a powerful magnet, these welders magnets are durable, long lasting, and resistant to rust and corrosion
- Designed for holding workpieces when soldering or welding
- 4 Inch Holding angles: 45°, 90°, 135°, 180°

Model	RH-9087
Magnet quantity	1pcs
Magnet thickness	26mm
Magnet dimension	A:110 mm b:110mm c:190 mm
Material	A3 steel,y30-bh ferrite magnet
Magnet angles	45°, 90°, 135°, 180°
Magnet pull force	34Kg
Magnet weight	1.08Kg
Total weight	1.13Kg
Supplied in	Blister card
