## Laser Distance Meter
**100m**

# RH-9100

- Fully featured and powerful laser measurer features long range measuring with extreme accuracy up to ±3mm and measures distances up to 100 meter (330 feet) for professional tasks
- Equipped with bluetooth function which delievers tonix measurment camera app(MB)operation by downloading via app store or google play for IOS & android systems.
- Easy-to-read backlight color display illuminates numbers in dark areas with distinct resolution, allowing work in low-light or no-light conditions
- 180s of automatic shutdown for keeping the power
- IP54 waterproof level and dust-proof function protect the laser distance measure to the maximum extent and enables working at tough jobsite conditions such as rain or dust
- Excellent collection of features including distance, volume, area measurement, min & max reading, timer coundown ,stake out, continuous measurement and measurement by pythagoras make this laser meter ideal for construction and different industries usage
- Handy and compact hard rubber body enables a good grip
- Data storage sets which can be used to view and compare measurement data after measurement
- Able to function both with metric and imperial system and also convert them
- Stake out function that shows the actual and specified distance in different colors
- Equipped with tripod thread for easy tripod attachment
- Multi-line display function

| Model | RH-9100 |
|---|---|
| Laser Measure Range | 0.2 to 100M |
| Accuracy | ±1.5mm (±0.06 inch) |
| Laser Class | 2 |
| Protection Class | IP54 (Dust/water proof) |
| Auto Laser Switch Off | 30s |
| Auto Unit Switch Off | 180s |

| | |
|---|---|
| Unit Dimensions (mm) | 105×41×24mm |
| Power Source | 2xAAA Batteries |
| Measuring Unit | m/in/ft/ft+in |
| Storage Temperature | -20°Cto 60°C |
| Operating Temperature | -5°Cto 40°C |
| Dimensions | 113*47.5*30.2 |
| Battery Life | 10,000 Times |
| Angle Measuring Range | -180 to+180 |
| Bluetooth Connection | Yes |
| Functions | Distance/ area/ volume/ pythagorean/ continuous measurement/ add and subtract/min&max reading/ timer countdown/ stake out |
| Supplied in | Ronix color box |
| Includes | AAA 3*1.5V, Textile pouch |
