

Laser Distance Meter – 100m (Green Beam)

RH-9353G

- Fully featured and powerful laser measurer with long-range measuring and extreme accuracy up to $\pm 2\text{mm}$; measures distances up to 100 meters for professional confidence.
- IP54 waterproof and dust-proof protection safeguards the laser distance meter for maximum durability, enabling reliable operation in tough jobsite conditions such as rain or dust.
- Automatic shutdown after 3 minutes helps conserve power.
- Multi-line display with data storage allows users to view and compare measurement data after measuring. Supports both metric and imperial systems with easy conversion.
- Handy and compact design provides a good operating feel, while the hard rubber body ensures a secure grip.
- Easy-to-read backlit color display illuminates numbers in dark areas with clear resolution, allowing work in low-light or no-light conditions.
- Comprehensive functions, including distance, area, and volume measurement, Min & Max reading, continuous measurement, and Pythagoras calculation, make this laser meter ideal for home, construction, and industrial use.

|-----------------------|--|
| Model | RH-9353G |
| Laser Measure Range | 0.05 to 100m |
| Accuracy | $\pm 2\text{mm}$ |
| Laser Class | Class2 |
| Laser Color | Green |
| Protection Class | IP54 |
| Auto Laser Switch Off | 30Sec |
| Auto Unit Switch Off | 180Sec |
| Power Source | NI-MH Battery (Nickel-Metal Hydride Battery) |
| Measuring Unit | m, ft, in, ft - in (Simultaneous) |
| Area Unit | □, ft ² |

Laser Distance Meter – 100m (Green Beam)

RH-9353G

| | |
|-----------------------|---|
| Storage Temperature | -20 to 60°C |
| Operating Temperature | 0 to 40°C |
| Dimensions | 118*50.5*25mm |
| Weight | 0.093Kg |
| Battery Life | 5000Times |
| Functions | Single Measurement, Continuous Measurement, Area Measurement, Volume Measurement, Hook Measurement, Add or Subtract Function |
| Body Material | ABS+TPE |
| Supplied In | Color Box |
| Includes | Cloth Bag, Battery, Charging Cable |
