

2m Wooden Folding Ruler

RH-9715

- 2M Precision Measurement: Provides a full 2-meter length with clear, metric markings for accurate measurements every time.
- Markings with ± 0.14 mm/m tolerance for consistently precise measurements.
- Crafted from high-quality wood for everyday reliability and longevity.
- Folds to 242mm with durable spring hinges for easy storage and transport.
- Varnish finish resists moisture, scratches, and fading for long-lasting clarity.
- At just 115g, it's easy to carry around job sites or home projects.
- Ideal for carpentry, DIY, construction, and engineering applications.
